Re: Maintenance Fee
U.S. Patent No. 7,279,196
Application No. 10/798,190

This will confirm our telephone conversation of today. The petition for late payment of the maintenance fee for U.S. Patent No. **7,279,196**, Application No.: **10/798,190** inadvertently had the wrong Patent No. 7,297,196.

The correct Patent No. is 7,279,296, which is also consistent with the Application No. 10/798,190.

Please consider the petition for late payment as being filed for U.S. Patent No. **7,279,196**.

Very truly yours,

Robert C. Curfiss

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.
